

# Bedtime Math's Road Trip: 50 States of Math!

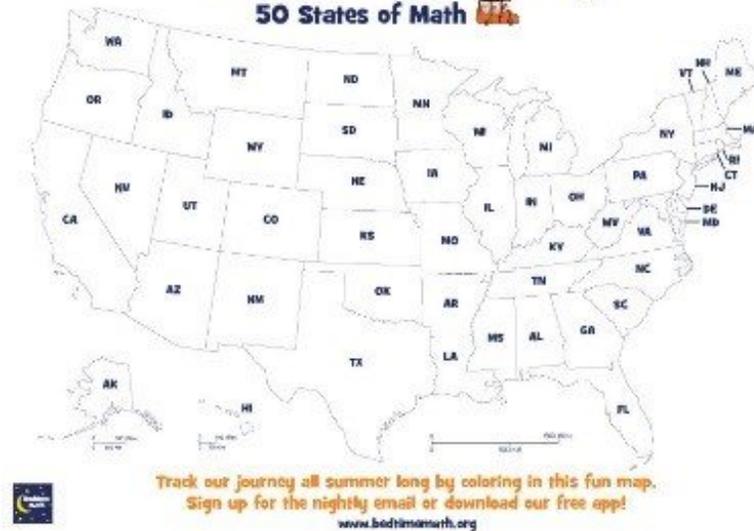

★ [bedtimemath.org/road-trip/](http://bedtimemath.org/road-trip/)

Pack your bags and hit the road for our special summer series – Bedtime Math's Road Trip: 50 States of Math – **starting July 5!**

From Texas to California to Massachusetts, we'll spotlight a different state every day and discover cool and unusual math facts along the way. Sign up for our [nightly email](#) or download our [free app](#) to join in on the fun.

## Bedtime Math's Road Trip 50 States of Math 🚚

Kids can track the journey all summer long by coloring in [our fun U.S. map](#). At the end of the summer, they'll know cool math facts about all 50 states and have a colorful map to show for it!

Looking for more fun math? Check out our [parent tips sheet](#) that's full of quick, fun ways to roll in a little math while you're on the go this summer! Or download our [free printable](#) of activities guaranteed to keep the kids busy in the backseat for hours.

What do you love about your home state? Share your ideas and photos on [Facebook](#), [Instagram](#) and [Twitter](#)! Use hashtag #50StatesofMath and don't forget to tag us @BedtimeMath.

Happy road tripping!
