

# SUMMER ADVENTURES ON THE ROAD

Hop in and join National Geographic for a summer road trip! Explore some of the United States' national treasures—whether by car or virtually from home—and learn about each park's wildlife, Indigenous history, geological features, and more. Each stop includes free digital and printable activities for **adventurers ages 4-18**.

## CONTENT THIS SUMMER INCLUDES:

### Where Are We Going?

Characteristics and facts about each area.

### Indigenous Origins

Native American history and culture.

### Along the Way

Kahoots, games, and more!

### Mapping the Journey

Interactive mapping fun.

### Into the Wild

Exploring local wildlife.

### Get Outdoors

Ways to connect with nature wherever you are.

### Explore through Reading

Recommended reads and a Book Quest with clues from National Geographic Explorers.

### Tell your Story

Ways to share your journey.

## ITINERARY:
